South Haringay School

Dear Parents/Carers,

Friday 14 June 2024

Book Fair

Next week, we look forward to holding our summer book fair; there will be an offer of 3 books for the price of 2! The book fair supports the school in raising funds to replenish and update books in our school library each year. Books can be purchased online as well as in person at the fair. No cash is accepted at the fair so please ensure you bring your debit cards. Dates for the book fair are as follows:

Date	Year group(s)
Monday 17 th June	Year 6
Tuesday 18 th June	Year 5
Wednesday 19 th June	Year 4
Thursday 20 th June	Year 3
Friday 21 st June	Year 1 & 2

Books can be purchased online at: travelling-books.co.uk/books We recommend using this service if you feel you will not be able to attend the in-person event.

Year 1 at the Postal Museum

On Wednesday 5th June, Year 1 went on a school trip to the Postal Museum to support our History topic 'changes over time'. The children got to: ride the old mail train; roleplay being a post office worker; and learn about how the postal service has changed over the years. We also took part in an exciting engineering workshop and investigated real life problems encountered in the past at the rail mail, such as, what shape is the most suitable for making an underground tunnel? Can a train be pushed forward by air? Which materials allow electricity to pass through them?

Amphibians in Year 5

As part of their science unit on living things, year 5 arranged for some special metamorphic visitors to join us to support our learning! We have been very fortunate to be able to observe the life cycle of a frog; we were given the wonderful opportunity to witness how the appearance of frogs change after they hatch from their eggs.

Year 6 at the Natural History Museum

On Wednesday, Year 6 attended a workshop on Evolution to support their current science unit of Evolution and Inheritance. As part of the workshop, they took part in an activity looking at fossils of ancient horse relatives. They discussed differences between fossils and were asked to think about the way environmental factors have influenced the evolution of these animals. The children then took part in a game in which a leaf blower was used to simulate a storm on the island of Turks and Caicos! They looked at lizards specifically, and learnt that there are variations in features within species that are advantageous for survival which are more likely to be passed onto offspring and lead to population changes. Students then visited the From the Beginning gallery and worked in groups to examine fossil evidence from the past 545 million years! [You can see some photos by clicking here...](#)

Healthy Eating

On Friday 24th May, Year 1 spent the day making delicious fruit and vegetable smoothies. The children really enjoyed learning about different fruits and vegetables during this D&T block and finished the unit by creating their very own healthy smoothie. Both classes had a wonderful time making smoothies and thinking about what ingredients they would change for next time.

Sports

On Tuesday 4th June, our cricket team took part in the Haringey Cricket championships. Although we were drawn into a tough group against Highgate Primary and Campsbourne, we performed brilliantly and won both games to qualify for the final group of the top 3 schools. Unfortunately, we narrowly lost by 6 runs to Rhodes Avenue. However, we went on to beat Coleridge by 40 runs to win 2nd place and silver medals!

A huge well done to our team:

Year 6: Alex, Fred, Oscar, Joseph, Benji, Jack and Dylan

Year 5: Jojo

Year 3: Raj who deserves a special mention! Undeterred by being the only year 3 child at the tournament, he performed terrifically, taking wickets and scoring runs all day!

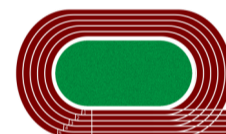

Our athletics team took part in the Haringey Championships on the 10th June. It was a brilliant day! The team were able to showcase all of their hard work and training against fantastic athletes from other primary schools. All of our athletes delivered; a fantastic job was done in all events. Our boy's team finished 5th out of 15 schools and our girls finished 4th out of 15 schools.

A huge well done to our athletes:

Year 6: Lola, Malak, Nusaiba, Rosa, Laila, Aya, Daejanae, Nikol, Archie, Joseph, Jack, Oscar, Kaan and Hadi

Year 5: Ebony, Karolinnny, Caleb, Ethan and Jojo

MATHLETICS

Our mathletes for last week: Kidis (4C) 6780 points

Our mathletes for this week: Arthur (3A) 3345 points

Our mathlete class last week: 3 Acacia

Our mathlete class for this week: 4 Cherry

Our super readers for last week: Maia Y3

Our super readers for this week: Inaya Y3

Tirso Y4

Jonah Y4

Ethan Y5

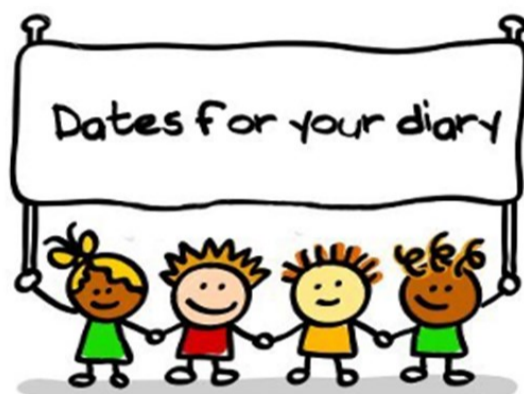

Clementine Y5

Euan Y6

Hibba Y6

Quiz master classes: 5 Magnolia

Quiz master classes: 5 Elm

Junior School Sports Day
Monday 1st July – 10:00 – 15:00

Infant & Reception Sports Day
Tuesday 2nd July – 10:00 – 12:30

Year 6 Performance
Thursday 11th July – 16:30 – 18:00

Year 2 Performance – Ash Class Parents
Tuesday 16th July – 9:30 – 10:00

Year 2 Performance – Chestnut Class Parents
Wednesday 17th July – 9:30 – 10:00

Year 2 Disco
Monday 22nd July – 16:00 – 17:00

Year 6 Disco
Tuesday 23rd July – 16:30 – 18:00
