# South Haringey School

Dear Parents/Carers,

## Reception Classes at Railway Fields

Both Reception classes had an exciting trip to Railway Fields last Monday, extending their learning about their scientific topic on minibeasts. They did pond dipping - they found a newt, a frog and even dragonfly larvae - and then they went on a minibeast hunt where they found lots of them in their natural habitat.

## Our Choir Contributes

On Tuesday 25th June, our choir performed for some of the staff and residents at Peregrine House on Hermitage Road. The choir were keen to make a contribution to members of our local community who find it more challenging to get out and about. The choir performed three songs to a very appreciative audience. Well done to Daniel and the choir.

## Goodbyes

Sadly, we are saying goodbye to Emily, Dom and Helena this year. Emily is returning to Ireland; Dom is relocating and Helena is beginning teacher training. Emily, Dom and Helena have been fantastic throughout their time here at South Haringey and we are sure that, whatever the future holds for them, they will continue to be just as brilliant. We wish them all the best in their new ventures!

## Year 2 at The Tower of London

Year 2s visited the Tower of London and took part in a workshop called Fire! Fire! They learnt more about Samuel Pepy's actions during the events of the fire and details around the evacuation of the Farriner family. They also learnt about the history of the site, understanding that it was a castle, a fortress and a prison. They enjoyed hearing about the famous ravens of the tower and the legend behind them.

## Year 5 at Cuffley Camp

Our Year 5's left school extremely excited last Wednesday; it was the start of their residential visit to Cuffley Camp! They arrived at the Pod village by about 11:45am, and, shortly after each group had been allocated their pod, they had lunch and then went off on their first activity: shelter building. Despite a few gentle prompts, the children did not realise that they would actually get wet if their shelter was not waterproof, which they hadn't considered due to the lovely weather! Once dry, they took part in some problem-solving activities. On the Wednesday evening, they toasted marshmallows around the campfire. On Thursday morning, the children were up bright and breezy, ready for their hike. The rest of the activities included: orienteering, archery tag; climbing and a night line which involved applying all of their five senses! They arrived back at school at approximately 4:45pm on Friday afternoon, very happy but also sad that the trip had come to an end! They thoroughly enjoyed the experience; our children were fantastic and a real credit to our school.

## Year 6 Becoming Junior Citizens

On Monday 24th June, Year 6 visited Bounds Green Scout Park to learn about being a good citizen and keeping safe. They were taught by members of: the police force; fire brigade; TFL, Hope UK; and Haringey council. By going through many different scenarios, they learnt skills that will help them in the future as they transition to secondary school and beyond.

### Sports

The netball club has been a pleasure to coach this year with girls participating from Years 4, 5 and 6. They are a very supportive group and their hard work has resulted in some great netball which has been on show in some recent friendly matches.

On 10th June we played against St. Mary's and Coleridge. The score line did not reflect the superior skill level and creative play shown by South Haringey.

The girls impressed us again when we took our club to Belmont, without the Year 5's who were on a trip. Our two year 4 stars. Ruby and Olive, braved the world of Year 6's on court and held their own.

Coaches Emi and Sheila are very impressed with this group of girls and their commitment to work hard for the team.

### Book Fair

Thank you to all of you who attended the bookfair last week. We raised £550 in rewards for the school and will spend this on new books for the school libraries.
