Dear Parent/Carer

As you know, we now have school streets in operation on both Mattison and Pemberton Road in the mornings and afternoons. We have noticed a reduction in the number of cars driving through both roads during these times. This has led to a much quieter, cleaner and safer environment for all of us.

However, we all need to remember that the school streets do not ban cars completely from our roads during these times. Residents and those with a permit will still be entering and leaving the streets. In addition, drivers who are unaware of the restrictions, may still drive on these streets.

We have been reminding our children of these facts as we have noticed some children running onto the streets at drop off and pick up times.

Please remind your children to follow safe road practices at all times, even when the school streets are in operation.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Ian Scotchbrook".

Ian Scotchbrook
