5<sup>th</sup> July 2024

Dear Parents/Carers

**RE: Railway Fields Workshop**

Your child has been selected to attend a science workshop at the local nature reserve, Railway Fields on Monday 8<sup>th</sup> July. The children will be planting seeds and looking at pond creatures, which will support their current Science unit.

We will be travelling by foot as it's an easy walk. As it is an outdoor trip, we ask that children wear outdoor shoes and waterproof jackets.

We will be leaving after lunch at 1.15, so the children will not need a packed lunch. We will return to school by 2.45.

Best Wishes,  
Melanie (Year 2 Teacher and Science Lead)
