2nd September 2024

Dear Parent/Carer,

Introducing the Haringey School Nursing Service and Parent Portal

We would like to introduce ourselves as your Haringey School Health Service. We work together with families and education with the aim of improving the health and wellbeing of children and young people. The Haringey School Nursing Service are now using the School Health Parent Portal, to deliver our Child Health Needs Questionnaire which is sent every year to parents whose children are in Reception and Year 6.

We ask all families to complete the questionnaire as a record of how your child is doing, so we can understand the best way for us to help children and schools in Haringey. This also gives you the opportunity to highlight any health concerns you have for your child/children and whether you require support from the School Nursing Service. To complete this, please either scan the QR code or use the link below which will enable you to register for a parent portal account and complete the questionnaire.

<https://app.schoolscreener.com/Portal/#/hrgy/g/HW316>

The School Health Team ensures that all personal information relating to your child is kept securely and confidentially. Information will not be shared without your permission except in exceptional circumstances.

Yours sincerely

The Haringey School Nursing Service

Whittington Health NHS Trust

Chair: Baroness Julia Neuberger

Acting Chief Executive: Dr Clare Dollery
