Opening Worlds Hub School

We are proud to announce that South Haringay has been chosen to lead a network of schools in the development of the Opening Worlds Curriculum. Our teachers have often been used in the past as exemplars of great practice in teaching the Opening World's Curriculum of history, geography and RE. This arrangement has now been formalised and our school will be providing support and guidance to a collection of schools from Haringey and Enfield through regu-

Parents Netball

Rose Sports Academy are starting up a new Women's Netball team called Rose N.C. We will be entering the North London Netball League who where we will play fortnightly matches at Broomfield Park on Saturdays.

We would love to have some of our South Haringay parents get involved with the team. If you have any netball experience and are interested in joining our new netball club, please contact Adam at 07763655743 or adam@rosesportsacademy.

South Haringay School

Dear Parents/Carers,

Welcome Back !

We would like to welcome all of you back to another fantastic school year at South Haringay! In particular, we extend an extra warm welcome to all of our new children and their families. We have had many of our new nursery and Reception children in for their first days and more are following over the next couple of weeks. There have also been new children joining classes in key stage 1 and 2. Welcome to the South Haringay Village!

Infant Playground

We are very pleased with our re-developed playground in the Infant School. The children love the new climbing frames and staff have seen a really positive approach to play during break times. We have more to do to fully complete the project. This will include further decoration as we extend the new paint scheme across the walls and buildings. In addition, we have lots of planters which will soon be filled with soil closely followed by a range of trees and shrubs. Additional resources are being ordered to support our Reception children's outdoor learning.

School Dinners

We have a new autumn menu being cooked and served by our skilled kitchen team. The first two weeks have been delicious and we are looking forward to sampling week three next week. The menus are always available for you to see on our website: [click here](#).

Our chef, Marcello, will be making appearances in assemblies this term to talk to the children about the menu and about the importance of a healthy diet.

We also have plans to invite parents and carers into school to eat with their child so you will have a first-hand experience of the delicious food on offer. Details to follow...

Uniform

The children all look smart in their uniform, particularly in Reception who are wearing the uniform for the first time this year.

Please remember that the uniform includes black shoes. All black trainers are fine. Shoes should always be closed toe (no sandals or strappy shoes) and no boots. With proper closed shoes, children can run and play safely in the playground. On wet days, children may wear wellington boots to school and bring a pair of shoes to change into, however this is not essential.

Friends of South Haringay (FOSH) News

Welcome back parents and carers. We hope everyone is settling back into the new school year. A warm welcome to our new reception parents!

Funds Become Fun

You might have noticed that the infant playground has undergone a dramatic transformation. This is thanks to your donations and our fundraising efforts over the last two years. FOSH managed to contribute £35,000 to the refurbishment - turning the old tarmac into the school's own adventure play zone. The smiles on the kids' faces on day one were priceless. Well done everyone - your funds have injected fun into break time.

Reception Parent Welcome - Wednesday 25 September @ 7.30pm, The Salisbury

FOSH is inviting all reception parents to welcome drinks. Here you will learn more about FOSH's fundraising efforts and how you can get involved. As a registered charity, we rely on parent volunteers to participate in a wide array of fundraising activities throughout the year from bake sales to school discos, movie nights and summer fairs. The events are always a lot of fun and all the funds go towards improving the school. We also need someone to nominate themselves as new class reps for Holly and Rowan classes. We hope to see many of you there where FOSH will be on hand to answer your questions.

Coming up!

FOSH is already planning an action packed calendar of events for 2024/25. Watch this space.

New FOSH Core Members Needed

We urgently need more core members to continue to plan and run fundraising events and activities. You'll be joining a fantastic, energetic team and will receive lots of support. We need a new Chair and a new Communications Officer. We're open to job shares and any flexible arrangements you need. If you can help please email psa@friendsofsouthharingay.org

MATHLETICS

Our mathletes for this week: Ethan 4 Cherry

Our mathlete class for this week: 5 Magnolia
