Dear Parents/Carers

Violin & Cello Continuers Yr5

We have been informed by Haringey Music Service that they will begin continuer lessons for violin and cello Yr5 every Tuesday lunchtime from Tuesday 1st October. This year, it has taken us slightly longer to organise the sessions as so many children wanted to continue into year 5 and 6 so thank you for your patience while Haringey Music Service organised more instruments for us.

Your child will have an earlier lunch to their peers in order to attend the sessions and be back in time for their afternoon lessons. Your child's teacher will explain to them when and where to go for the sessions.

We ask that your child remains committed to taking part in their lessons and that if they no longer wish to take part, they discuss this with you and that you email the school to let us know this is the case.

Yours sincerely,

Ayse Thomas
Deputy Headteacher
