Monday 9th September 2024

Dear Parents/Carers,

Workshop for Year 2 & 3 Parents & Carers

We will be running a workshop to support all Year 2 & 3 parents to familiarise themselves with a few of the online platforms children will be using at home such as Mathletics & TTRockstars.

There will also be an opportunity to have a brief tour of the junior school after the workshop.

The workshop will take place on Tuesday 24th September at 9:15-10 am in the Junior School hall.

If you are parent in any other year group and not familiar with the platforms, please feel free to attend this workshop too.

We look forward to seeing you at the workshop.

Yours sincerely,

Ayse Thomas
Deputy Headteacher
