Tuesday 1st October,

Dear Parents/Carers,

Changes to entrance and exit gates

Due to the window fitting works starting in the Infant School building, we will be using the entrance on Mattison Road for drop-off and pick-up from Thursday, this week. This entrance opens directly onto the MUGA, near the swimming pool.

You will be able to enter via the MUGA and go into the school playground and walk your children up to the wooden doors for drop-off. Children will be lined up in their usual spots for pick-up. As you enter, Year 1 will use the wooden doors on the left of the building, Year 2 will use the wooden doors to the right of the building and reception will go up to the decking as usual.

After you have dropped off or picked up your child, please leave via the MUGA entrance onto Mattison Road and not into the passage. Unfortunately, this will mean the window wave tradition will need to come to an end - please prepare your child for this.

If the new arrangements prove to ease congestion and make drop-off and pick-up smoother, we may adopt the new arrangements permanently.

Yours sincerely,

A handwritten signature in cursive script that reads "Ayse Thomas".

Ayse Thomas
Deputy Headteacher
