School Dinners

We have now had parents/carers from classes in years 1, 2 and 3 join their children for lunch and we have had very positive feedback about the quality of the food. There will be another opportunity for more of you to try a meal with your child after the half-term break; there will also be ongoing opportunities over the course of the school year. Do look out for the letter which will inform you of specific days for each year group.

Harvest

Thank you so much for the donations of food for our foodbank appeal. We will be collecting again in December.

Poppy Appeal

As with previous years, our school council members will be supporting the [Poppy Appeal](#) organised by The Royal British Legion.

From Monday 4th to Friday 7th November, poppies will be on sale in both the Infant school and Junior School playgrounds at the end of each day.

Dear Parents/Carers,

Pumpkin Patch

Have you seen the beautiful pumpkin patch on display in our reception?

Thank you to all of you who supported your children in creating beautiful entries in our art competition inspired by the artist Yayoi Kusama. As with all of our competitions, it will be very difficult to judge and select winners. We shall be announcing the winners of this competition after the half-term break-look out for these in our next newsletter.

Music

We are pleased to announce that we have more children choosing to carry on with learning their instrument in years 5 and 6 than ever before. Luckily, we have been able to secure additional teaching time from Haringey Music Service to meet the demand. We're really looking forward to hearing these children play in their termly concerts, alongside the year 4 children, throughout this year.

In addition, Daniel (our music teacher) has inspired more of the Junior children to join bands. We were treated to a wonderful performance by a year 6 band who played while we all sang along. The quality of their performance was truly impressive. Thank you, Daniel, Ethan, Hugo and Zac! We're looking forward to hearing one of the younger bands Daniel is supporting during lunchtime rehearsals soon.

Parent/teacher meetings

You will soon receive a letter explaining how to book your face-to-face parent meetings with your child's class teacher. The parent evenings will take place on Tuesday 26th November and Thursday 28th November between 3:40 pm and 6:20 pm.

Reception Trim Trail

We are really excited to have our new trim trail installed for our reception children. The blocks will allow our children to develop their agility, balance and coordination whilst having fun.

Windows

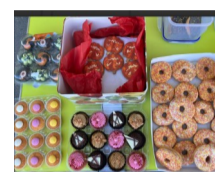

We're pleased to say that the windows in the Infant building are being replaced at a cracking pace. 1 Birch classroom has all new windows and the children and staff enjoyed the adventure of a few days in their temporary classroom while this work took place.

Friends of South Haringgay News

Year 2 were treated to a screening of Secret Life of Pets 2 this week. Everyone enjoyed the film and snacks. A huge thank you to parent volunteers who helped on the day - you made 40+ kids very happy!

Spooky biscuits, cakes and sweet treats left children with delight rather THAN a fright at this week's bake sale. Check out the wonderful spread (see pics). Thanks to all those who donated and bought items. They were spook-tacularly delicious
