Dear Parents/Carers of Year 2 Pupils ,

We realise some of you have been wondering about applying for place for your child in year 3 in the Junior School.

Although our school effectively operates as one school, we are still officially a federation between two schools. However, there is no requirement to apply for a place in the Junior School. We will take care of this for you by providing Haringey with the details of all of the children in our year 2 classes.

You will then receive an email, or text, later in spring term, from Haringey offering you a place in the Junior School. You must respond to the offer from Haringey Council by accepting, or declining, the place.

Feel free to contact the admin team if you have any questions

Kind Regards,
