Parent Open Events

In the summer term, we will be holding our parent open events. You will be invited into the school and your child will share the work they have done in their exercise books. Your child will also provide you with a tour of the school so that you can see home learning on display as well as of their classroom. We are committed to ensuring every child has a family member who attends on the day so are providing you with plenty of notice. Please see below which details the days and times for each year group.

Windows

We're pleased to say that nearly all of the windows in the Infant building have been replaced. The windows in the reception classrooms are still to be done. These will be completed over the February half-term break. The team will soon be moving on to the swimming pool building.

Dear Parent/Carer,

Spring Music Showcase

In the second half of the Spring term, some children, who have demonstrated additional hard work and commitment to music by giving up their lunchtime, or practicing after school will be showcasing their musical skills to their parents in an evening performance and to their peers during the school day. There are no auditions for this event. The children have been selected based on their work with our music teacher. If your child is one of the children performing, you will soon receive a letter detailing the date and time of the event. Only the families of the children performing can attend this event.

RE

Before the Christmas break year 4 had a visit from a local Rabbi to complement their R.E, topic. He spoke about the importance of Passover and the story of Exodus to the Jewish people. As well as hearing how Moses led the Israelites out of slavery in Egypt, children also discussed the symbolism of the Passover meal and even tried some matzah bread! D&T

Year 5 demonstrated their innovation and creativity last term by working collaboratively to build a toy car. This design and technology unit really got children thinking about what it takes to be a manufacturer, why it is necessary to test out a product and why the first attempt may not always be the most successful. Some of their cars were great at reducing air resistance due to their design and some children have realised that more streamlined bodywork would have worked better! ADVENT Windows Raise £3k

Xmas nights were a little brighter this year thanks to our crafty advent window displays. Our art trail succeeded in raising £3k for the school, thanks to corporate sponsors Winkworth estate agents, The Optical shop and map donations.

A round of applause goes to this year's ADVENTure Trail organiser Catherine Soskice Ghandi (Yr 1 and Yr 2 parent). Without her volunteering to run this magical event, it might not have happened. And of course, huge thanks go to our 24 volunteer families.

Xmas bake sale raises £500

The joyful sound of Christmas tunes and delicious scent of mulled wine, hot chocolate and homemade cakes filled the junior playground the last day of term.

It was the sweetest way to celebrate the festive season with you all.

Please remember to pick up your containers and tupperware from the school office.

A quick reminder to always label them with your name and number. We can't be held responsible for items that go missing.

Coming up - dates to be confirmed

- Movie nights
- Bake sales
- Scoot-a-thon

More information to follow.

Join the PSA

We need more parent volunteers to enable our fundraising activities to continue.

You'll be joining a fun, committed bunch of parents who are open to hearing all your ideas

If you can volunteer for a term, or lead an event or can help in any way we'd love to hear from you. Please get in touch with your class rep.
