Friday, 14<sup>th</sup> March

Dear Parents/Carers,

We are very excited to announce that Harley is pregnant. She has announced this to the children in class today.

She is expecting to give birth in July, so will be starting her maternity leave before the end of the school year. We will, of course, be making arrangements for her to be covered and will update you with the details closer to the time.

I'm sure you will join us in congratulating Harley.

Kind regards,

Ian Scotchbrook

A handwritten signature in black ink, appearing to read "Ian Scotchbrook".
