

# TOTTENHAM HOTSPUR

Dear Neighbour

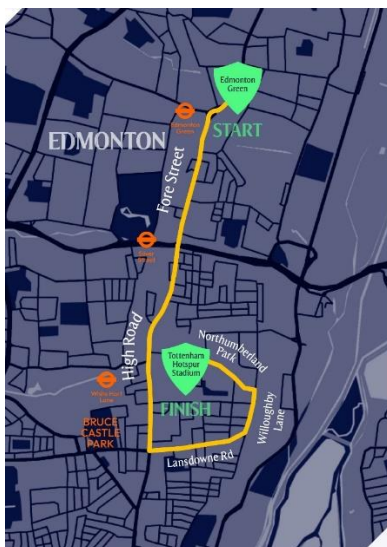

We hope this finds you well.

Following the Club's success in the UEFA Europa League Final, we are pleased to confirm that our First Team squad plan to take part in **an open-top bus victory parade through the local area on Friday 23<sup>rd</sup> May.**

Please note, further to our previous correspondence, revised timings have now been agreed following close consultation between the Club, its football operations, Haringey and Enfield councils, emergency services and transport partners, to ensure the delivery of a safe and enjoyable event for all.

We should like to make residents, schools and businesses aware of the following information:

- **The parade will begin at Edmonton Green at approximately 5.30pm** and proceed down Fore Street and the High Road past the stadium before turning left at Lansdowne Road, along Willoughby Lane and Northumberland Park

- **Following the parade, which is expected to last between 60-90 minutes, our players will present the trophy to crowds gathered from a staging area outside the Stadium on the High Road.** This area is likely to be extremely busy throughout the day. Residents are advised that live music and pyrotechnics will be audible during the trophy presentation
- **Major road closures and parking suspensions will be in operation.** This is to ensure spectator and resident safety as a significant number of fans make their way to the area to take part in the event. Residents are advised of the following closures:
  - High Road (White Hart Lane to Lansdowne Road/Lordship Lane) 11am until midnight
  - Fore Street/High Road (A406 to White Hart Lane): 12pm until 8pm
  - Northumberland Park, Park Lane, Worcester Avenue and Lansdowne Road: 1pm until midnight
  - The Broadway (Edmonton Green to Plevna Road): 1.30pm until 8.30pm
  - Shelbourne Road (Lansdowne Road to Northumberland Park): 4.30pm until 9pm
  - Sterling Way and the A406 westbound slip-round: 4.30pm until 7.30pm

Residents are advised to factor this into all journeys on Friday as resident access via car will only be maintained within these times if it safe to do so. Pedestrian routes around the stadium will be extremely busy and pedestrian diversions may be in place.

- **A full event day Controlled Parking Zone will be in operation as per a Tottenham Hotspur home matchday, with additional parking bay suspensions across the Parade route and connecting streets.** Advanced warning signs have been deployed across the road closure footprint
- **All parking bays and single yellow lines will be suspended from 11am until midnight on Friday across the entire route and residents are advised to relocate vehicles the night before the event.** All parking along Fore Street to the High Road/Lansdowne Road junction will be suspended. Additional restrictions will be in place on Whitehall Street, Love Lane, Northumberland Park, Worcester Avenue, Park Lane, Willoughby Lane and Shelbourne Road
- **The Club has made a limited amount of alternate parking provision available for residents at the Goods Yard located at 44-52 White Hart Lane opposite White Hart Lane station.** Residents who wish to park in the Goods Yard are invited to send their name, home address, and VRN (vehicle registration number) to [transport@tottenhamhotspur.com](mailto:transport@tottenhamhotspur.com)
- **Local train stations will be extremely busy throughout the day.** This includes Edmonton Green, Silver Street, White Hart Lane, Bruce Grove, Northumberland Park, Tottenham Hale and Seven Sisters. Due to large crowds, certain stations may restrict access or close at short notice in the interests of public safety
- **Local buses will also be impacted with diversions in place.** All local buses will be on diversion from midday. Buses will resume their normal route as roads begin to re-open following the event

**The Club and its transport partners will endeavour to disperse crowds and re-open roads as soon as possible after the event. However, residents are advised that it will take some time before the local transport network is back to normal.**

Although we fully appreciate that this event will have a significant impact on the local area, we hope that local residents will join us in celebrating a historic moment for the Club and local community. As a reminder, the event is free to attend and we encourage spectators to spread out along the parade route, with LED screens positioned at intervals showing a live stream of the parade and trophy presentation.

Should you have any questions or special requirements please email [communityrelations@tottenhamhotspur.com](mailto:communityrelations@tottenhamhotspur.com) or call our dedicated line for local residents, 0203 946 4040, which will be in operation throughout the event.

Residents are advised that any changes to the above plan will be communicated via the Club's email and SMS alert service. Scan the QR code to sign up below:

Kind regards  
Tottenham Hotspur
