**Walk to School Week 16-20th June 2025**

Dear Parents and Carers,

I hope this letter finds you well. I am writing to inform you that Walk to School Week will take place from the 16th to the 20th of June. This year's theme is the "Great Space Walk," which aims to encourage our children to walk to school actively throughout the week.

The Great Space Walk initiative is designed to help pupils forge intergalactic friendships while learning about the benefits of walking not just for themselves, but also for our communities and the planet. Engaging our children in this way promotes healthy habits and fosters a sense of responsibility towards their environment.

As part of this initiative, each child will be provided with a special pack to take home. This pack will include materials for recording the number of times they walk to school during the week. I kindly ask that you encourage your child to document their achievements. Completed wall charts will be collected at the end of the week for recognition of their efforts.

We appreciate your support in making this event a success. Should you have any questions or require additional resources, please do not hesitate to contact me.

Thank you for your cooperation and commitment to promoting active travel within our school community.

Best wishes,

Zaynab Khan

Nursery Leader
