Year 5 Swimming Lessons

Dear Parents/Carers,

Year 5 pupils will be having their swimming lessons from 7:45 am – 9:30 am on Tuesday mornings. This means that some children in Year 5 will start school on Tuesday mornings at 7:45 am each week, followed by a second group at 8:15 am and a third group at 8:45 am.

We will write to you in September about which group your child will be in and what date the swimming session will begin. Please note that when forming the groups, we take into account children already attending breakfast club, children with siblings and distance to school.

For swimming lessons, your child will require a swimming costume or trunks, a towel and a swimming hat. Your child can also use swimming goggles, but this is optional. They can come to school wearing their swimming clothes underneath their uniform, but must remember to pack underwear.

Regards,

Yours sincerely,

Ayse Thomas

Deputy Headteacher
