Uniform

It has been a pleasure to see most children coming into school looking smart and ready for learning in their uniform. However, some children are coming into school not wearing our uniform or following other health and safety policies around uniform. We sent out a letter yesterday to remind you of our school uniform policy. If you missed the letter, please [click on the link here to view the letter](#).

On Health and Safety grounds, we do not allow children to wear any jewellery to school. The exceptions to this are stud pierced earrings.

Early Reading

The youngest members of our school community are off to a wonderful start in the nursery. The new furniture and resources have been a real hit with all of the nursery children. They are also becoming avid readers. They have started their first core book of the year with the much-loved classic Owl Babies. [You can see some photos from the nursery here.](#)

Dear Parent/Carer,

Art Update

The children in Year 2 have already produced some beautiful art. They researched the artist Alma Thomas and learnt that her main technique includes brushstroke effect and she uses bright colours, inspired by the nature around. The children created the background and then, using the brushstroke effect, they added their leaves, as if they were lying on their backs, looking at the sky and the leaves above. They mixed colours to create new colours. [You can see some of their artwork here.](#)

Parent Workshops

Thank you to those who have already attended a workshop this year. There is one workshop left to take place soon:

Tuesday 7th October, 9:15 – 10:15 am

Reception RWI Workshop

Location: Infant Hall

Later in the term, we will hold our parent/teacher meetings. These meetings will allow you to discuss your child's progress in their learning. In the meantime, if you have any questions or concerns, you can request a meeting or phone discussion by emailing your child's teacher via the office (admin@shsharingey.co.uk)

Prospective Families

Today, we started the first of our tours for prospective reception class parents for the September 2026 intake. We have a lot of interest in the school, and it is always a pleasure to show interested parents/carers our lovely school. If you know of any parents looking to tour the school, please direct them to our office, and we can arrange a tour for them.

We have a few vacancies in year 2 at the moment, so if you have any local friends who want to explore a year 2 place at our school, we are happy to arrange a special tour for them. Just ask them to contact the office.

SHS SPORTS

Cross Country
Monday 22nd September

Our cross country team travelled to New River for the first tournament off the year to take part in a 2.5km race in a tricky course. Its a great achievement for all to finish the race and even more so in the times they did, with many new to cross country running. Our girls finished 6th and our boys 13th across all schools in Harringay. Well done to those who took part

FRIENDS OF SOUTH HARRINGAY NEWS

We'd like to welcome our new nursery and reception children, parents and carers to South Haringay School.

For the benefit of those who don't know us our Parents and Staff Association (PSA) is known as The Friends of South Haringay (FOSH). We are a registered charity consisting of a friendly group of volunteer parents and carers.

What does the PSA do?

FOSH regularly organise school events such as discos, bake sales, quiz nights, winter merriment, scoot-a-thons, the summer fair and other fun activities!

Why?

To raise funds for the school and enable them to undertake projects that they wouldn't normally be able to fund or prioritise. Over recent years we've raised over £20,000 per school year. Amongst other things this has funded: the new playground in the infants, the bike and scooter park, greenery and the gazebo structure in the junior playground.

Come and join the FOSH

We are very keen to have more people join us and get involved - whether as part of our standing team, or just for a specific event. If you have a brilliant idea, want to be part of a committee or have a transferable skill or contact that might help us, then please don't hesitate to get in touch! psa@friendsofsouthharingay.org
