Dear Parent/Carer,

Christmas Decoration Day

A few weeks ago, our Reception, Year 1 and Year 2 classes were buzzing with festive creativity during our annual Christmas Decoration Day! Our parent volunteers had a wonderful time at our annual Christmas decoration morning. The children made baubles, puppets, wreaths, paper chains and so much more. You will have seen these amazing decorations displayed in the infant hall and around the school. Thank you so much to all of our volunteers. [You can see some photos here...](#)

Our Choir Visits Peregrine House

Last week, pupils from KS2 brought Christmas spirit straight to the residents' lounge with their beautiful voices singing Christmas favourites including 'Last Christmas' by Wham and 'Santa tell me' by Arianna Grande. Many residents joined in, clapping, humming and even singing along to their favourite tunes. Following their performance, children had a chance to talk to the residents, enjoy a small snack with them and finally gifted them some handmade decorations and a card. This was an event that brought our value of contribution to life at this special time of the year. [You can see some photos here...](#)

Christmas Dinners

Our catering team provided us all with a splendid Christmas feast yesterday. The food was plentiful and many staff commented that the turkey was better cooked than that at our staff Christmas party at a local pub (not be named) last week. The children were most excited by the choice of five different Christmas deserts as well as the Christmas crackers.

Christmas Foodbank Collection

Thank you to all our parents and families for your incredibly generous donations to the foodbank. We received a large volume of items, which will make a real difference to those in need and help support many families this Christmas. Your kindness and community spirit are truly appreciated.

Guitars, Violins and Cellos

Recently, we were entertained by the guitarists in 4 Polar, as well as our talented year 5 and 6 continuers. The following week we were entertained by our string players in 4 Cherry and the year 5 and 6 continuers. Staff, parents and carers were all equally impressed by how much had been learnt by all since September. We can't wait to hear even more in the Spring term concerts! Year 3 Visit the Petri Museum

Year 3 have been stepping back in time this term as part of their learning about Ancient Egypt in Art and History. They really enjoyed visiting the Petrie Museum, which is home to one of the world's largest and most important collections of Egyptian archaeology. The children were able to explore an incredible range of Ancient Egyptian artefacts, using their sketching skills to examine and record them in detail. They also gathered inspiration for designing and creating their own Ancient Egyptian scrolls! [You can see some photos here...](#)

Reception Nativity

Our Reception classes have worked incredibly hard to bring their Nativity, 'Whoops-a-Daisy Angel', to life. After weeks of preparation working on singing, practicing lines and learning the sequence of our story, our pupils did an amazing job! Not only did they perform to the wider infant school, they delivered their performance over two days to our Reception families and finished with a fantastic rendition of 'Feliz Navidad' to well and truly start our Festive period with a bang! Key Stage 1 Concerts

This week, our Year 1 and Year 2 children spread festive joy with their heart-warming Christmas concerts. The children sang and danced with huge enthusiasm, performing a range of festive songs that filled the hall with Christmas cheer. Their confidence, energy and big smiles lit up the stage as they proudly showcased all the hard work they had put into rehearsals. The audience of parents, carers and staff thoroughly enjoyed the performances, joining in with clapping and singing along. It was a wonderful celebration of music, teamwork and festive spirit, and a fantastic way to end a busy and exciting term. Well done to all of our Key Stage 1 pupils for such joyful performances!
