Ducklings in Reception

We have been exploring life cycles of different farm animals as we began our annual egg arrival in reception. We have looked at the purpose of incubators to help warm the eggs in order to allow them to hatch. Once our 5 ducklings hatched we then spent many days observing them, feeding them and cleaning out their enclosure! One of our pupils was lucky enough to take them home over the bank holiday weekend to take care of them! Our pupils have thoroughly enjoyed themselves creating paddling pools and games for the ducklings to thrive and grow. To finish our work, we have practiced 'point of view' diaries to imagine what it must have been like to be one of the ducklings growing up in our school! [Click here to see photos...](#)

Open Events

We concluded our annual series of open events last week with years 4 and 6 welcoming their parents/carers into school. Once again, we thank you all for taking the time out of your day to visit your child/ren at school and allow them to guide you through their learning journey for this year.

Year 2 Design and Technology

Year 2 have designed and made a suitable chair for Baby Bear. They carefully followed their design criteria, thinking about how to create a stable structure. The children explored different shapes to provide balance and support the weight of the bear. They also considered how to make their chairs suitable for a small bear, using patterns and colours to create fun engaging and practical designs. All of us thoroughly enjoyed this DT unit. London Mini Marathon - 25th April

A fantastic day for everyone involved, as some of our lucky students were able to represent South Haringay in the London Mini Marathon. Our infant participant took part in the 1 Mile race, whilst our juniors took part in the 2.6km race. It is a great experience for all the children, as well as their families, who all had a brilliant day out. Well done to all who participated on the day.

Girls Cricket Festival - 23rd April

We were invited by North Middlesex Cricket Club to attend a Cricket Festival set up to celebrate the upcoming Women's Cricket World Cup which is being hosted in England and Wales. Our girls took part in training, which was coached by North Middlesex's brilliant coaches, before playing some matches against other schools, where we played brilliantly. Well done to all of our girls who attended the event.

- **Super Readers for this week:** Wilf and Felicity (3), Evie and Auden (4), Hannah and Miles (5) & Eva and Rosa (6)
- **Super Readers last week:** Calum (3), Salma (4), Inaya (5) & Benjamin (6)

- **Quiz Master class this week:** 3 Willow and 6 Maple
- **Quiz Master class last week:** 3 Acacia and 3 Willow

- **Mathlete for this week:** Theodore W (3 Acacia) 3380 points
- **Mathlete for last week:** Shay N (3 Acacia) 3420 points

- **Mathlete class for this week:** 3 Willow
- **Mathlete class for last week:** 3 Acacia
