Dear Parent/Carer,

Unfortunately, Ella needs to isolate at home until next Thursday, as she has come into close contact with someone who has tested positive for Covid 19. Ella does not currently have any symptoms of Covid 19.

We have consulted Public Health Haringey who have assured us there is no need for any of the children in year 5 to isolate, at this stage. If Ella was to test positive, this situation may change. We will, of course, let you know of this ASAP.

There will be a supply teacher working with the class until next Thursday and the leadership team, as well as Maria in 5 Magnolia, will be supporting the supply teacher.

Feel free to contact me if you have any questions.

Yours Sincerely,

Ian Scotchbrook
Headteacher
