Dear Parents/Carers,

Breakfast Club for Years Reception, Year 1 and Year 2

KS1 Breakfast club will start on **Monday 21st September** at **8am** for children in years; **Reception, Year 1 and Year 2**. At this moment, breakfast club will only be open to children who are currently registered. We are looking into the possibility of opening up to new children later in the academic year, however, this is not possible at the moment.

We have continued to work on our risk assessment to ensure we minimise risk to each year group 'bubble.' This means that children will only come into regular contact with other children in their year group. Some of the implications of this for breakfast club are:

- Parents will not be allowed into the school building and must leave their child to enter via the annex doors on Mattison road, where they will be received by members of staff in breakfast club.
- Parents and pupils should ensure they maintain appropriate social distancing from other parents and children. Upon arrival, please ring the bell and wait for the door to open.
- Pupils will sit in year group tables and will not be able to mix with other year groups in order to maintain the integrity of the bubbles.
- Each year group will be allocated a variety of board games to play with in their year group bubbles instead of a play session in the gym or outside as previously the case.

Please ensure you pay for breakfast club in advance using ParentPay.

You are reminded that you must not send your child to school if they or another member of your household has Covid 19 symptoms. You must follow the stay at home guidance in the link below:
<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>

Yours sincerely,
