We would like to remind you to let us know, as soon as possible, if any of your details change, this includes contact information, such as: your phone number; email address; home address or emergency contacts.

This will ensure that any correspondence is sent to the correct person and, most importantly, that we are able to contact someone should an emergency arise.

## Dear Parents/Carers,

### Ofsted

The report from the March Ofsted inspection of the Junior School is now available on our website ([click here to read the report](#)). We now have a pair of reports of which we are very proud.

Some of you have asked why the school was not officially graded as outstanding as a result of the report. As we were already a 'good' school, according to Ofsted's criteria, the inspection did not allow for an official judgement of outstanding. However, the report does acknowledge the school has made significant improvement since our last 'good' inspection and there was evidence we could be considered outstanding, if a full inspection was conducted.

So, we will have a return visit from an inspection team, in both schools, within the next two years to confirm the outstanding judgment. We're looking forward to showing them how fantastic our school is!

### Ukraine Appeal

Our School Council is working to raise funds to support the people of Ukraine. Our chosen charity is the Disaster Emergency Committee (DEC), which brings together 15 leading UK aid charities to provide and deliver aid to ensure successful appeals. These charities include: Oxfam, Save the Children UK; and the British Red Cross. The appeal will help people who urgently need food, water, shelter and medical care.

To help raise the much-needed funds and show our support, on **Tuesday 24<sup>th</sup> May**, we are asking pupils to dress in the colours of the Ukraine flag: yellow and blue and bring a donation of £1. Children can choose to wear something yellow or blue; or even can even choose to wear both colours on the day.

### Poetry

Year 2 have been creating some wonderful poetry, focussing on the environment. The children performed their work and took great pride in what they had created. Please click [here to watch their performance](#).

### Parking

If you must use your car to drive your child to school, please remember to follow the rules:

- Do not park on the yellow zig-zag lines
- Do not double park
- Drive slowly near our school
- Do not leave your engine idling

We have asked the parking inspectors to pay some surprise visits to make sure we are all playing by the rules, and keeping our children safe.
