#### **Parking**

As many of you will know, there was a fatal accident on Pemberton Rd during the half term break involving the work crew resurfacing that road. This very sad event has meant the road has remained closed. We have heard from the council that they expect the work to resume, and hopefully be completed, this weekend. In the meantime, please be extra careful when driving, and walking, in the local area.

#### **Ukraine Appeal**

We held our special Ukraine Appeal shortly before the break. Many children, and staff, dressed in yellow and blue and helped to raise £492 for the Disaster Emergency Committee. Thanks to all who got involved and to our School Council for organising the event. [You can see some photos by clicking here.](#)

#### **Sports Day**

We will be holding sports days for both the Infant School and the Junior School this year. Both days will be held at Finsbury Park Athletics Track. Parents are welcome to attend as spectators. If you do come along and watch, please remember we don't allow parents onto the track itself, so you will need to watch from a distance. You will receive another letter next week with further details.

## **Dear Parents/Carers,**

### **Year 3 visits The Natural History Museum**

Before the break, year 3 visited the Natural History Museum to learn about Volcanoes and Earthquakes ahead of their Volcanoes topic in Geography. The children attended a Volcanoes and Earthquakes show to investigate geological forces within the Earth revealed through interactive demonstrations. The children became scientists and helped to save 'Volcano Town' from disaster! Both classes were awarded with a NHM accredited Diploma in Earthquakes and Volcanoes. [You can see some photos by clicking here.](#)

### **Race For Life**

Some of our children have been living up to our value of contribution outside of school as well as in. They took part in the recent 'Race for Life' in Finsbury Park to raise money for Cancer Research UK. [You can see some photos by clicking here.](#)

### **Queen's Jubilee**

To celebrate the Queen's Platinum Jubilee we held an afternoon of playground picnics. The sun was shining, the bunting was out, crowns were on, and we all had a marvellous time. [Click here to see some photos.](#)

### **Year 6 at Railway Fields**

Before the break, year 6 visited Railway Fields to consolidate their learning in science; they also had the opportunity to develop their investigation and observational skills. Pupils conducted surveys, collected minibeasts (from a dedicated minibeast area) and went pond dipping. [You can see some photos by clicking here.](#)

### **Athletics Tournaments:**

Before the half term break, pupils took part in a range of exciting tournaments.

Our year 3/4 Athletics team took part in the Quad Athletics championships which involved: a 75m sprint; a 400m run, javelin, long jump and a relay. Our athletes all had a fantastic day out. Brilliant performances were put in on the day, notably by the boys, who had an exciting win in the 4x100m relay race, just edging our friendly sporting rivals North Haringay on the line. Well done to Jack, Hadi, Isaac, Joseph, Aya, Daejanae, Rosa and Sahara!

Our year 5/6 Athletics team took part in the Haringey Athletics Championships - a new tournament inspired by the upcoming commonwealth games. There were lots of events on the day, including very gruelling 800m and 1500m races, which were new to our athletes. It was great to put all of the training from our PE lessons into practice and see all of our teams perform so well. A huge congratulations to Karis, Hussain, Zain, Ayyub, Kaiser, Ihsan, Paloma, Suki, Isobel, Penelope, Isabella, Miranda, Iris, Alymira, Rufus, James, Otis, Dominic, Georgie and Barbara!

Some of our athletes then took part in the Quad Athletics Championships, in a similar format to the Year 3/4 tournament. We excelled on the day! All athletes competed brilliantly and impressed everyone throughout all events. Outstanding performances on the day were Georgie, who finished 2nd in her 600m race amongst 25 other athletes and our boys relay race, where a dramatic finish saw Karis overtaking numerous runners on the last leg, which led to a victory for our team. Well done to Paloma, Suki, Isobel, Georgie, Karis, Hussain, Zain and Ayyub!
