Dear Parents/Carers,

Black History Month

Last week, as part of the celebration of Black History Month, during our assembly, we highlighted and discussed the resilience shown by people of black heritage, such as Barack Obama, Dr Mae Jemison, Benjamin Zephaniah, Serena Williams, Sir Mo Farah and Raheem Sterling MBE. We explored the huge contributions they have made to our society in the fields of politics, science, literature and sport.

Open events

Over the coming terms, we will be inviting parents and carers to attend an open event at the school which will enable you to see the work in your child's books and some of the work on display, both in the classroom and around the school. Children will be able to showcase their hard work and talk you through their learning at school; you will be able to see how the home learning projects enhance their knowledge! Dates for you to visit the open event for your child's year group will be provided soon and we will ensure that plenty of notice will be given.

Lost property

We have had a number of parents/carers asking about lost property. In the infant school items are brought into the playground by the tree stump at the end of each day. In the junior school items are brought out into the playground occasionally however, it is the children's responsibility to look in the lost property box at the end of school to retrieve their lost items. Please ensure your child's items are labelled which will help finding them a lot easier.

Secondary school

The deadline for secondary school applications is on **31 October 2022**.

So far only 15 parents/carers have applied.

Please ensure that you apply online using www.eadmissions.org.uk before the deadline, for a chance of getting a place at your preferred secondary school.

Celebrating Feryal

We have decided to hold a special event in the early part of the summer term at which we celebrate the many contributions of Feryal to our school. It will take the form of a special exhibition of art and crafts, as Feryal loved making beautiful resources for the children to play and learn with. There will be opportunities for children and families to contribute to this special event. We will write to you again very soon with more details.

Reception Curriculum Information meetings

Parents and carers of reception children have been invited for a special meeting to help them understand ways in which they can support their children's learning. We would like to remind you that these meetings will take place next Tuesday, 18th October at 9am in the Infant School Hall. The meeting will be repeated at 5pm on the same day for those that find a later slot easier to attend.

Sports

On Thursday 6th October, track athlete Victoria Ohuruogu, led the Junior School children (and teachers!) through a sponsored whole school fitness circuit. The children had one minute to move through the circuit, performing as many star jumps, scissor jumps, push-ups, and squats as they could.

Once completed, we were treated to a truly inspirational assembly, led by Victoria, who shared her journey to becoming a world-class 400m sprinter. We learnt about the person who first inspired her, the successes she faced early on in her career and the challenges thereafter, which were determinedly overcome, leading to her winning bronze in this year's World Athletics Championships. Victoria's ethos in life is 'patience and perseverance'; her passion ensured that every child recognised the value of true grit and determination and each one left the assembly with a clear sense that 'they can do it!' Thank you, Victoria - a fantastic morning was had by all! [You can see some photos by clicking here.](#)

On Friday 30th September our Girl's football team took part in their first tournament of the year. It was great experience for our team and they played some great football on the day, improving throughout the tournament. We narrowly missed out on qualifying from our group but nevertheless was brilliant day out for our girls and a big learning experience for future tournaments. Well done to Florrie, Lily, Red, Lola, Aphra, Elise, Margot and Georgie.

Double Movie Night Extravaganza

Well done to Year 2 and year 4 parents for running two successful movie nights this week. Every year group will have one movie over the year. The kids had a blast and we raised money for the school.

Bake Sale - 20 October - Halloween Special

Our Halloween Bake sale is on 20 October (the Thursday before half term). 3.20pm in the infants playground from 3.30pm in Juniors.

We need your cakes and biscuits please!! To be dropped off in reception on the day. Label all tupperware if you want it back. Don't want to cook? If you have any spooky table cloths or decorations please donate them for the afternoon. Label everything! **It is vital that all cakes are vegetarian, halal and sesame & nut free. Don't forget the jelly sweets as often they have pork gelatine.**

We need two sets of volunteers for set up, selling and clear up one set for infants one for juniors. Fancy dress is encouraged (but not essential!) Email psa@friendsofsouthharingay.org if you can help.

Christmas is Coming - Adventure Trail

Christmas is coming and once again we are planning on running our South Haringay School ADVENTure Trail. We need 24 volunteers to decorate their windows and would love to see new windows join those who have created them in the past. The deadline for signing up is Monday 7 November.

If you are interested in decorating one of your windows to be lit during December please contact Liz at advent@friendsofsouthharingay and she'll send you more information about what is involved. Drop her a line now!

Have a look at previous windows here: https://www.instagram.com/advent_n4/?hl=en-gb
