Homework

There have been some amazing creative homework tasks completed this term to help support learning in history, geography and science. You can click on the links below to see some examples from: [Year 3](#), [Year 4](#), [Year 5](#) and [Year 6](#)

Food Bank

Next week is our final week of collecting for the Food Bank this term. We have had a lot of very generous donations already. Please make a donation this week, if you are able. The box for donations can be found outside the school reception.

Visits From Other Schools

Last Friday, we welcomed some senior leaders representing schools in Somerset. They had heard about our fantastic outcomes teaching and learning in history and geography and wanted to see the curriculum in action themselves. They were very impressed with our children's learning and behaviour.

A Visit From An Old Friend

Our friend and ex-colleague Harriet Green is back in London for a visit and she popped into to spend the morning with Red class and help them with the Christmas decorations. She is visiting from Australia for a couple of weeks and really wanted to see the staff and children here at South Haringay. The children were very excited to see her.

Dear Parents/Carers,

Parents Evening & Open Afternoons

For parents/carers of children in year 1 – 6, you should have all had an opportunity to meet with your child's teacher for an online meeting by now. Please let us know if you missed your meeting and need a new appointment.

You can request a meeting with your child's class teacher to discuss any concerns around learning at any time. This is best done via email (admin@shsharingey.sch.uk)

Please remember to use the link that we sent out last week via text, in order to **book** to attend your child's open event next term and add the date in your calendar. Feel free to email us if you need the link to be sent to you again.

We expect a parent, or adult carer, to attend for every child.

Sport

On Friday 18th of November our boys and girls year 3/4 football teams took part in their first tournament of the year. It was a brilliant day where both teams gained valuable experience of playing in a Haringey schools tournament, and both showcased some fantastic football on the day.

Our boys team narrowly missed out on qualifying from the group stage, finishing 3rd in a group of 6. Huge congratulations to Vitor, Eren, Can, Ethan, Marlo, Zachary and Jojo. Our girls team managed to get to the quarter final, despite only having 5 players in a 6-a-side tournament. Big congratulations to Livia, Kayla, Elena, Sahara and Sasha. Special mention to Sahara who was a standout player on the day, scoring 7 goals throughout the tournament!

On Friday 25th November our Cricket team got their year underway with the Haringey Indoor Cricket Tournament. Over the past few years our cricket team has had huge success, and they continued that success again this tournament. We won all our group games to qualify for the semi-final, where we narrowly lost by 7 runs to Rokesly. We picked up bronze medals in the end which is a huge achievement and we look forward to more success in future tournaments. Well done to Walt, George, Dominic, James, Otis, Billy, Joseph, Red, Georgie, Elise and Sahara.

Jingle and Mingle -

Fri 2 Dec, from 7:30pm @ The Salisbury on Green Lanes.

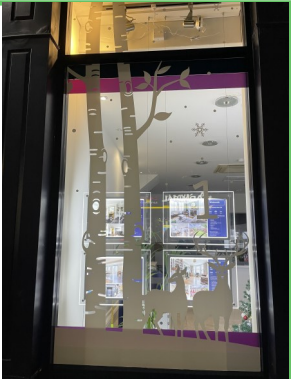

Tonight we hope to see as many of you as possible at everyone's favourite local watering hole. Don't worry if you haven't bought a ticket yet, you can pay on the door so just turn up! Your presence is just as important as your donation but if you can't attend you can make a voluntary contribution on classlist. As always, all funds go to supporting the school.

First ADVENTure Trail windows light up

Yesterday (1 Dec), the first Advent window appeared on Green Lanes. Winkworth estate agents, sponsors of this year's ADVENTure Trail adorned their office windows with a whimsical, white, wonderland scene. The next window creation will be unveiled tonight at 4pm, with a new window revealed each day until Christmas eve.

So, what are you waiting for? Download a map for £3 from classlist and see what wonders lie on your doorstep.

All money will be donated to the school. Alternatively, ask family and friends to follow the daily window reveals on Instagram @N4_Advent and simply give a donation to appreciate the hard-work that goes into each window display.

Movie nights raise over £300

Years 1&6 thoroughly enjoyed their respective movie nights. And we're delighted to have raised over £300.00 from both events, proving you can still get your kicks at a night at the flicks. Thank you to all parents who purchased tickets.

Christmas trees that raise money

Here's a unique way that you can celebrate Christmas and raise money for the school. Buy your tree from www.christmasonthehill.co.uk/ and the North London-based, family-run company, will give a donation to our school. The bigger the tree, the bigger the donation!
