### Goodbyes

Sadly, our music teacher, Adela has decided to leave us – we wish her well. Daniel has been standing in for her while she has been away and is now taking on this role permanently across both schools. Daniel is a talented musician and has a real passion for teaching music and is extremely excited to be taking on this role.

With a heavy heart, we are also saying goodbye to Leyla, who is moving out of London, to embark on a new chapter in her life. We will certainly miss her warmth and support and I'm sure that you will join us in wishing her all the best for the future.

### The Green

We are pleased to announce that we have been able to expand capacity in our after-school club, The Green, for next term. While we are still unable to completely meet demand, we have reduced the waiting list and will be welcoming some more children into this club in January.

**Dear Parents/Carers,**

### Guitars, Violin and Cellos

Our year 4 classes entertained their parents and carers last week with afternoon concerts displaying just how much they had learnt to play their instruments this term. They were joined by the children in year 5 who have chosen to continue learning their instruments from last year.

### Food Bank

Thank you to those of you who were able to support our food bank collection. We know that the families receiving your donations will be very grateful. We will organise another collection next term.

### Christmas Concerts

For the first time since 2019, we have had a full round of Christmas concerts which allowed children and adults alike to get into the Christmas spirit! The reception class nativity was first with their fabulous performance of Whoops-a-Daisy Angel. This was followed by a collection of Christmas carols performed with enthusiasm by our key stage 1 classes. Finally, we held our Junior School concert on after school on Tuesday, which included singing and instrumental performances. We'd like to thank our concert organisers, Sonya, Natalee and Daniel for a fantastic job in coordinating these events!
