Governors

Peter Snow has finished his term as a school governor. We would like to thank him for his dedication to this important role over the last four years.

Feryal

In total parents donated £774 for Feryal's fund. £250 was spent on a memorial tree in Finsbury Park. We will let you all know the location of the tree when it is planted.

The rest of the money was donated The Foundation for Metabolic Cancer Therapies as requested by Feryal's family.

Friendly reminders

We are expecting very warm weather next week. Please ensure that your child is dressed appropriately for school. They will need a sun hat, water bottle and sun screen applied before school.

South Harringay School

Dear Parents/Carers,

Trips

Before half term, year 3 visited the Natural History Museum to learn about Volcanoes and Earthquakes ahead of their Volcanoes topic in Geography. The children attended a Volcanoes and Earthquakes show to investigate geological forces within the Earth using interactive demonstrations. The children became scientists and helped to save 'Volcano Town' from disaster! Both classes were awarded with a NHM accredited Diploma in Earthquakes and Volcanoes.

Visitors

Year 5 students had a special visit from an Anglo-Saxon farmer who travelled through time from Northumbria! The students shared their knowledge about the arrival of the Anglo-Saxons in Britain, their origins, settlement locations, and the kingdoms they established. The children engaged in activities where they made a ham. [You can see some photos here.](#)

Ducklings

The reception children enjoyed seeing our duck eggs hatch and grow into little strong ducklings. They wrote a daily diary on their progress too as well as stroking them and giving them a waddle in the water tray. They grew so much bigger during their fortnight stay in reception and now are happy back at the farm in their pond. The children plan to send them cards and emails to see how they are. [You can see some photos here.](#)

Bikeability

We have had two rounds of 'bikeability' training for children in year 5 over the last month. All of the participating children learnt basic cycling skills in the playground and also went for a supervised ride on our local streets. [You can see some photos here.](#)

Sport

On May 9th, some of our talented Year 3/4 athletes took part in the Haringey Quad Kids Athletics Championships. Each athlete has to take part in the Javelin, Long Jump, 50m sprint, 400m run and 4x100m relay. Our athletes have been practicing these events in their PE lesson and were able to showcase this at the tournament. All athletes performed very well in each event, consistently finishing high in their events. Our team finished a very impressive 6 out of 14 schools. Huge well done to

Year 4: Sahara, Marlo, Ethan, Vitor and Joseph

Year 3: Lily-Rose, Anna and Nahla

The Hornsey U11 cricket tour took place earlier this month. Me and George (from 6 Acer) and the rest of the Hornsey U11 cricket team were happy to leave our parents but were unsure how well trained the opposition would be! For many of us this was our first hard ball experience, and our first 2 matches ended as losses. BUT, in our third and final game against the International Jersey U11 we began to bond as a team and, despite a dodgy first 10 ten overs, our confidence grew & we began to think: you know what, this is possible! On the 20th over we needed 10 runs, which is pretty hard as we were facing their best bowlers... On the last ball we needed to get 1 run to win ... and ... we made it! We beat the Jersey U11 cricket team! We all went back to the hotel proud of ourselves! Right now, in the league, our cricket team has won 7 out of 7 and is top of the league! Hornsey is now the best cricket team ever!
