South Haringay School

Dear Parents/Carers, Christmas

It really is beginning to look a lot like Christmas at South Haringay! We'd like to thank the parents and carers who attended our annual Christmas decoration morning in the Infant School last Friday. All of the decorations made have really made the Infant hall look special.

Concerts

This week we had two very special music concerts in the Junior School. On Monday, the children of 4 Poplar entertained us with all that they have learnt in guitar lessons over the last 10 weeks. In addition, the year 5 and 6 continuers showed us how far they have developed their guitar skills this term. The following day, 4 Cherry took their turn and played their violins and cellos for us. The year 5 and 6 continuers for these instruments also performed. Both concerts were an impressive display of great learning and beautiful music.

We also enjoyed the wonderful singing of our Key Stage 1 children at their annual Christmas concert. Parents and Carers who attended commented on how it got them in the Christmas spirit. Well done Key Stage 1 children!

Science Information Evening

On Wednesday evening, we held our science curriculum information session via zoom. Our science lead, Mel, took parents and carers through a presentation which explained our approach to teaching science. Unfortunately, we had a few technical glitches and we apologise to those who missed the presentation. We will be uploading a recording of the presentation for all of you to see very soon.

Nrich

Our teachers regularly make use of the Nrich website which is run by Cambridge University. The site provides a range of maths activities which are designed to challenge and extend children's problem-solving abilities. This week, some of our year five pupils got a special mention on the site for their problem solving. Well done Arlo, Marlo, Ariel and Robin. [Click here to see the page.](#)

Cricket club

The Middlesex Cricket Club runs free cricket sessions for children at Chestnuts Park on Saturdays. Several of our children attend the club. The club recently won a special Shine Award. [Have a look at this video and you](#) will see a few South Haringay pupils.

Office

Rianna, our new admin staff member, will be starting in our office next Monday. Please do say hello to her when you get a chance. We will be training her over the coming weeks so she can support us all and help keep our children safe and happy.

Friday 08 December 2023

School Dinners

If you wish to change your child's meal preference from packed lunch to school dinners, or vice versa, you need to let the office know before the new half term begins.

Remember—all school dinners are now free for all children in year 1—6.

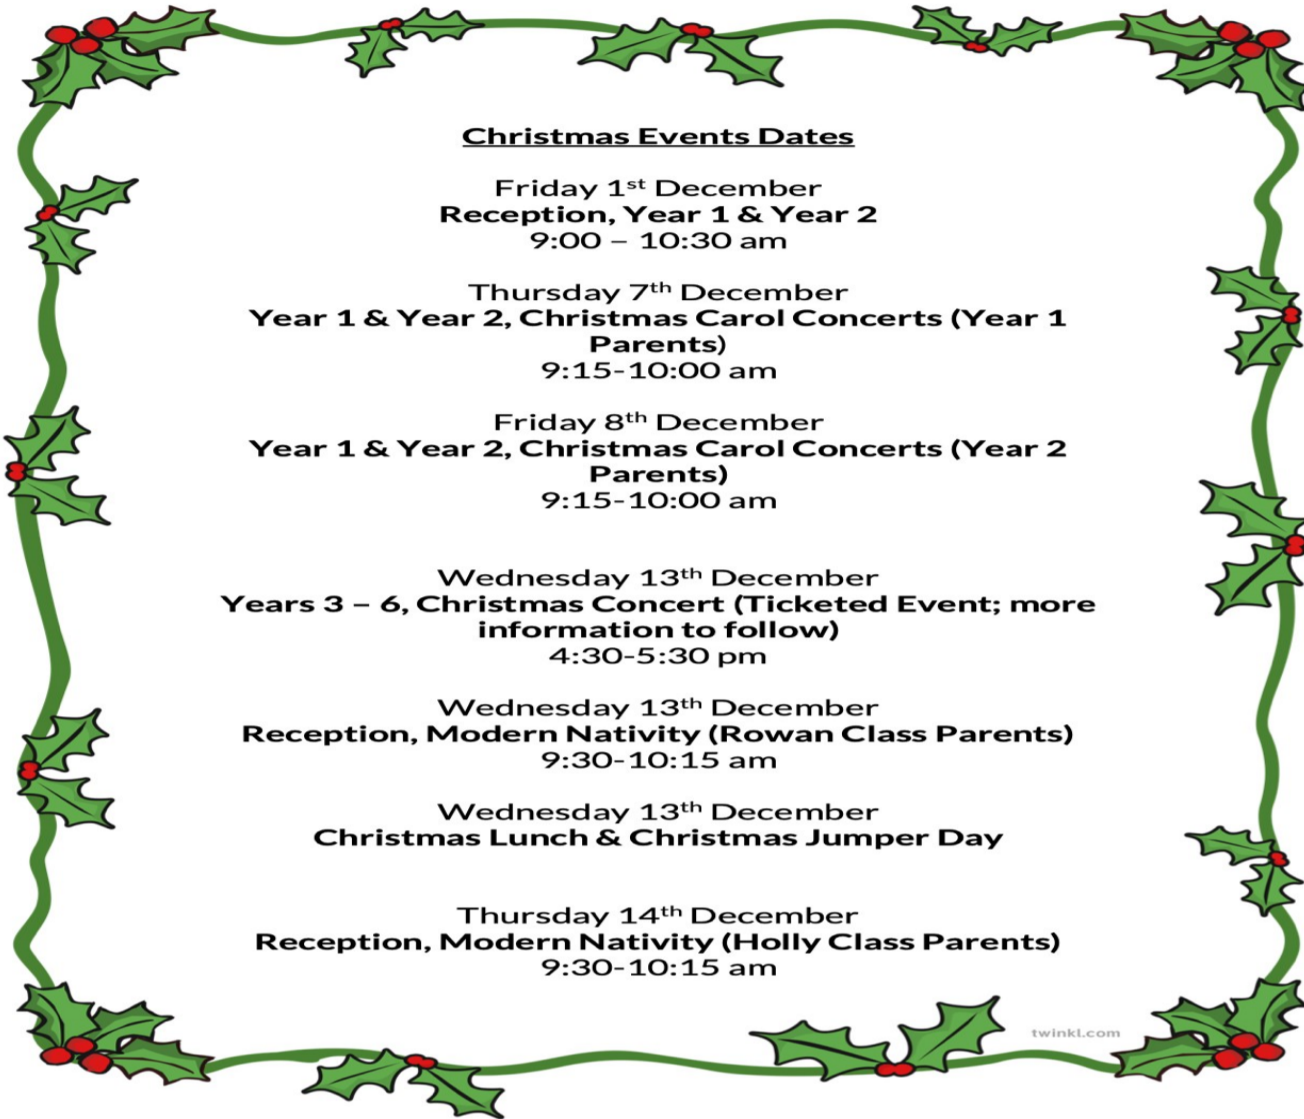

Four Legged Friends

Many of us are dog fans but not everybody is. This is why we don't allow dogs in our playgrounds at drop off and pick up times. Even if your dog is well behaved, others may not enjoy their presence. In addition, not all dogs like each other and we don't want any dog fights in the playground.

Reminder

It is very important that you let us know if you change address, or get a new phone number. Please let the office know about any changes ASAP.

Christmas Events Dates

Friday 1st December
Reception, Year 1 & Year 2
9:00 – 10:30 am

Thursday 7th December
Year 1 & Year 2, Christmas Carol Concerts (Year 1 Parents)
